Erosion of Ganga Down-Stream of Farakka Barrage

*363. SHRI VISHNU KANT SHASTRI:
SHRI RAM RATAN RAM:

Will the Minister of WATER RESOURCES be pleased to state:

(a) whether Government are aware of the severe erosion of Ganga down-stream of Farakka Barrage;

(b) if so, what action has been taken to protect the damage caused by the erosion; and

(c) whether it is a fact that fertile Indian land is being lost to Bangladesh, and if so, what are the details thereof?

THE MINISTER OF WATER RESOURCES (SHRI V.C. SHUKLA): (a) and (b) Erosion of varying magnitudes at same locations along river Ganga downstream of Farakka Barrage has been taking place from time to time. A plan listing the envisaged erosion protection works costing about Rs. 356 crores in the affected reaches has been prepared by the State Government.

(c) Due to erosion of right bank by Ganga some land on temporary basis is not available for use by India but there is no permanent loss of land to Bangladesh. The situation changes every year owing to meandering nature of the river.
